

LEADING NOW, CREATING TOMORROW

About Us

Xplore for Success offers equality and inclusion programs and services to individual leaders and their teams in workplaces across Australia. We partner with individuals and leaders to enable them to clarify their purpose, accelerate their career, embrace inclusion and lead with passion. We have a nationwide network of skilled, insightful, accredited facilitators and coaches who are passionate and committed to developing and empowering your employees and organisation. Over almost 20 years we have had the privilege of supporting and inspiring over 15,000 individuals in leading organisations throughout Australia.

Target Audience

This program is for all leaders who are navigating through the uncertain times of COVID-19 and who are committed to creating a safe and meaningful 'new way of work' for their staff, team and organisation.

Delivery

The program is comprised of 4 x 2-hour virtual sessions, delivered by Zoom.

PROGRAM OVERVIEW

Xplore is excited to present our new leadership program specifically designed to support leaders now, in these uncertain times, as the way we work transforms and as a 'new world' and way of work emerges.

Leaders will learn to swiftly navigate the change and transition, build resilience, leverage strengths, increase connection, elevate communication, create a performance culture and effectively engage their staff, whether they are WFH or onsite.

The program is comprised of 4 x 2-hour virtual sessions, delivered by Zoom.
