xplore

We enable individuals and leaders
to **clarify their purpose,**
accelerate their career,
embrace inclusion
and lead with passion.

Amanda Webb
CEO, Xplore for Success

Deputy Chair, Dress for Success Sydney
Director, Women for Election Australia
Ambassador, Human and Hope, Cambodia

Our Mission

Since 2002, Xplore has empowered professionals to develop their self-awareness, resilience, professional skills and leadership attributes, to thrive in all areas of their career and lives.

We educate and inspire leaders and managers to lead diverse teams and create an inclusive workplace culture.

We deliver powerful career development programs that empower and enable up-and-coming leaders to grow and thrive. Our programs span from graduates and workforce entry through all levels of leadership to executives.

Our programs are evidence-based and incorporate the latest research and behavioural science from positive psychology and neuroleadership.

Three great reasons to work with Xplore

TRUSTED ADVISERS, CREDIBLE CONSULTANTS, LEARNING PROFESSIONALS

Our team

Our team are second to none! We have 15 highly skilled and professionally accredited facilitators and coaches across Australia who are passionate and committed to developing and empowering your employees and organisation. We have worked on the inside — in the ASX Top 50, global companies and international consultancies. We know our stuff.

Proven track record

A proven track record and the leader in our field. Over 18 years and 17,000 participants are a testament to our success and progressive culture. Our programs have been delivered in numerous Australian and global companies, across a broad range of industries and sectors. Our clients and participants are our greatest advocates.

Scientifically based

Scientifically based and pragmatically delivered. Our programs incorporate the latest research in the fields of positive psychology, neuroleadership and behavioural science.

RESULTS DRIVEN

Key outcomes of Xplore programs

Our program participants:

01.

Increase their self-awareness, identify their strengths and learn to successfully play to them.

02.

Build their inclusive leadership skills and become more authentic and courageous leaders.

03.

Gain an understanding of positive psychology and implement the practices of a growth mindset into their work and life.

04.

Show greater commitment to their role, increase their performance and accelerate their career progression.

05.

Show greater confidence in seeking new opportunities and take positive risks.

06.

Take personal accountability for their future career success.

Our strengths and expertise

DEVELOPED FROM OUR LIVED EXPERIENCE AS PRACTITIONERS

CAREER EXCELLENCE

INCLUSION AND EQUITY

“Thank you Xplore for **adopting to virtual delivery** –
even before we all knew how crazy this would get.
It was **so important** to us to make sure
these programs would still be available to our people.”

CATHERINA BEHAN, INCLUSION AND DIVERSITY LEADER, SUNCORP, 2 APRIL 2020

“Xplore supports us in building a truly inclusive workplace culture. Their mix of career development programs, executive coaching, innovative events and passion for equality and inclusion, sets them apart.”

“The most beneficial and impactful development program I've attended!”

“Rave reviews flooded in regarding the virtual programs you held for us! Thank you for providing such a valuable service, and for delivering it in an inspirational way.”

“I've never had so many lightbulb moments during a training course before and I've done a few!”

The Xplore approach

At Xplore we understand that effective development must be a multi-faceted experience including a broad and diverse variety of interactive learning opportunities.
